About us

After School @ St Luke's is a community-based after school care centre and service of Anglican Care Waiapu. Whether children need care until 4pm, 5pm or 6pm, for a full week or just one or more days, St Luke's can help.

For us, it's important that kids have fun. We'll provide a nutritious afternoon tea, supervise their homework, encourage them to play and join in our fun activities that include arts and crafts, and letting some of that energy out on the field. Parents be assured that they will be safe, stimulated, and having a great time.

After School @ St Luke's is located within the church's complex in Havelock North. St Luke's has been part of Havelock North Village since 1874 and is involved in a number of social service and community focussed activities.

Our faith plays a strong role in the character of the programme. We say grace before food and tell Bible stories. We celebrate Christian holy days like Easter and Christmas and incorporate Christian material into craft activities where appropriate.

Please feel free to talk with our staff at any time about your children's activities.
